## HERB GARDEN Brick Dedication

The HERB GARDEN is a sumptuous assembly of annuals, perennials and shrubs that displays the incredible versatility and diversity of herbs. The Omaha Herb Society maintains the herb garden so our community can have a place to experience the beauty and uses of these wonderful plants.

You have an opportunity to be a part of the HERB GARDEN. Each engraved brick, with your personalized message, will be placed in the pathways.

*EACH BRICK is available for \$100.  
 Please make your tax-deductible check payable to Lauritzen Gardens.*
