### Expectations:

- Stay on the paths and sidewalks
- Please do not climb on trees, walls, sculptures, or fountains.
- Look, smell, and touch but please leave everything for others to enjoy!
- Most importantly, enjoy the garden!

**A birdfeeder** **2 points**

At Kenefick Park, two of the greatest locomotives ever to power Union Pacific Railroad sit at the southwest point of the Lauritzen Gardens property, highly visible to passersby on Interstate 80 and welcoming motorists to Nebraska. On grand display are Centennial No. 6900 - the largest and most powerful diesel-electric locomotive ever built - and Big Boy No. 4023 - the world's largest steam locomotive.
