Purchasing and Pricing Guidelines

Sale Pricing

Discounts are not applicable to camps done in conjunction with Omaha's Henry Doorly Zoo and Aquarium or Fontenelle Forest. Two or more of the other camp offerings, in any combination, must be purchased in the same transaction for a discount to apply. Discounts may not be combined with or applied to single-day purchases. A discount may be applied when weeks of camp are purchased for one child or more than one child (ex: two weeks for one child or one week for one child and one week for a second child). Lauritzen Gardens or partner organization employees/volunteers will receive applicable employee/volunteer pricing, but may not combine employee/volunteer pricing with sale pricing.

Member and Non-member Pricing

Members of the garden will be charged the member price on all camps. Registrants that are only members of an organization partnering with the garden to provide a camp will be charged member pricing on the camp that includes the partner organization and non-member pricing on all other camps.

Payment

Payment must be received within two weeks of receiving the email confirming a registration request. If registration occurs within two weeks of the start date of the desired camp, payment must be processed before the start date of the camp to reserve a place in that camp.

Cancelations, Transfers and Refunds

If you need to cancel a purchase or transfer a camp to another session, email or call as soon as possible: c.jacobsen@omahabotanicalgardens.org or (402) 346-4002 ext. 212.

A refund equal to 50% of the purchase price may be given when the refund is requested a minimum of four weeks before the start of the camp, this includes any goods or services purchased in conjunction with the camp. If a refund is requested within four weeks of camp, no refund will be given. The refund of one or more camps may affect the sale prices charged in the previous transaction, and therefore may affect the refund. In the event that multiple camps have been purchased, and a refund is requested, amounts refunded will begin with the least expensive camp and progress higher in purchase price as needed according to purchases within the same transaction. When possible, Lauritzen Gardens can transfer a camp registration to another session. However, transfer requests are based on availability.

Supervision and Safety

All Lauritzen Gardens staff are screened before they are hired. In addition to teachers and garden staff, trained volunteers may assist teachers with camp. When possible, class sizes will be limited to an average of 12-15 students per teacher. In addition, the Gardens' full-time staff are able to assist in an emergency situation. Only adults are hired to teach the camps. Campers spend the majority of their time inside the garden's main entry gate, but may spend some time in a lawn area on garden property that is located just outside of the main entry gate.

Behavior

Behavior is monitored to ensure a safe and enjoyable experience for all. Children are expected to behave appropriately. In the event a child is disruptive, time-out may be used. If disruptive behavior continues the parent will be called to help find a solution. If improvement is not realized, it may be asked that the child not return to camp.

Medication and Protectant/Repellant Applications

Garden staff cannot apply/dispense medication, campers must be able to self-medicate and carry their medication with them. Garden staff cannot apply/dispense protectants/repellants (ex: sunscreen, bug spray, etc.), campers must be able to apply/dispense and carry protectants/repellants with them.

Can Parents Stay with or Approach Campers Once they have been Dropped-off?

Camp will be held rain or shine unless weather forces the garden to close for the day. In the event the garden is closed due to weather, you will be contacted. Campers will spend a large portion of time outdoors. Please make sure that the camper is prepared for the weather (preparation may also include things such as sunscreen, umbrella, etc.). Due to the activities typically planned for camp, tennis shoes are strongly recommended and any open toed or open heeled shoes are not recommended.
